Soccer teams wipe out foes

The NMIMT Soccer Club pounced on St. John's College B-team, 5-0, to win the St. John's College Soccer Tournament in Santa Fe. That game left Tech with a perfect 4-0 tournament record and with the first-place trophy.

This year's first place finish at St. John's marks the second time that Tech has taken the tournament. Tech first won the tournament some five years ago.

The tournament, held April 23-24, included five teams: St. John's A-team, St. John's B-team, Capital Bank of Santa Fe, Grumman, and the NMIMT Soccer Club.

Tech's first opponent was

St. John's A-team. After the 70-minute match was over, Tech was on top, 2-1.

Capital Bank of Santa Fe was Tech's next victim. Capital Bank fell to Tech 4-2 in a 70-minute match.

The second day of the tournament found Tech facing Grumman and then St. John's B-team. Both of those matches lasted 60 minutes. Grumman played Tech a close match, losing 2-1, and the finale for Tech was the easiest match of the tournament.

To date, Tech's season record is 9-2. The team travels to play in several tournaments in the state held in Roswell, Santa Fe, and Albuquerque; they also hold a tournament every year on the New Mexico Tech campus.

Marc Meyers is president of the club. Jorge Perez is the coach. Team members include Ty Zimmerly, David Jaramillo, Luis Cervantes, Mark Bowie, Errol Watson, Tony Zimmerly, Mario Rodas, Igor Gonzales, Brian West and Mostafa Fike.
